[What Type of Transmission Fluid for Honda Accord. Capacity](#)

Honda/Acura likes being different, and are the ONLY vehicle manufactures where you have to check the fluid with the engine off. Do not over fill and use a CLEAN and DRY funnel to get the fluid in. Just add little dribbles at a time to make sure you don't over fill, and stop at the top (or very close to) the top of the crosshatched section. I deal with Honda/Acura a lot and I have done lots of ...
