This fourth instalment in the St Mary's series is a bit of a departure from the previous books in the series, but that novelty is refreshing and well-managed. Instead of focussing on one main excursion to the past with a few other adventures thrown in, this book sees Max and Leon jumping from time to time in a series of short visits, culminating in a return to St Mary's for a final showdown.

The Madness of St Mary's. Buyer beware if you think this is a whole new book. This is a collection of short stories and all but one has been released before. As much as I love the novels I think that the short story format is wonderful for this series. It allows the inherent silliness that you have come to expect to shine through with out ...

Chronicles of St Mary's Short Story 4.5 I managed to read this out of order. It introduces the character who causes the big problem in Ships and Stings and Wedding Rings. St Mary's prides itself on never leaving anyone behind, but that's without the interference of Clive Ronan who has come from the future and plagues them up and down the timeline. This rescue is either ten years late or ...

I would not recommend this book to anyone who hasn't read the earlier books in the Chronicles of Saint Mary's series-- each book is heavily dependent on those that went before. There are eight full-length books in the series, plus almost as many short stories and novellas. If you're looking for where to begin, read "Just One Damned Thing After Another", the first novel.
