In "A Perfect Union," Catherine Allgor reveals that while Dolley's gender prevented her from openly playing politics, those very constraints of womanhood allowed her to construct an American democratic ruling style, and to achieve her husband's political goals. And the way that she did so--by emphasizing cooperation over coercion, building bridges instead of bunkers--has left us with not only ...

A Perfect Union: Dolley Madison and the Creation of the American Nation by Catherine Allgor. Jul26. Quick, what do you think of when you think of Dolley Madison? One of two things: either cupcakes or the image of Dolley saving George Washington's portrait from the depredations of the invading British Army during the War of 1812? I did learn a lot more about Dolley Payne Todd Madison and her ...

In A Perfect Union, acclaimed historian Catherine Allgor reveals how Dolley manipulated the constraints of her gender to construct an American democratic ruling style and to achieve her husband's political goals. By emphasizing cooperation over coercion—building bridges instead of bunkers—she left us with not only an important story about our past but a model for a modern form of politics.
