Manuals & Serial Numbers. Q: I need an owners and service manual for my Airstream. Where can I get one? A: The first owners manuals were published in 1964. Prior to that, the owner received a brown envelope containing parts lists and other helpful information on the accessories in his trailer. A service manual with instructions for performing ...

Airstream started to produce service manuals in 1972. Before that point, only owner's manuals were available. These thick (200+ page) manuals were provided to dealers and were not a standard item provided to trailer owners. They offer significantly more information than the owner's manual and will help you identify part numbers for missing or damaged items. Many of the part numbers are no ...
