When you've experimented at home, and are familiar with the basics of cheese making, I would then recommend a cheese-making course at The School of Artisan Food (with Ivan Larcher or Paul Thomas). As an attendee of many courses and having spoken to many participants in my time, I think that Ivan Larcher and Paul Thomas are the best to learn from. The courses are not cheap, but ask any cheese ...

Making cheese at home can be somewhat overwhelming at first. There are so many different types, styles, and variations of cheese to choose from, it's tough to decide where to begin. For new cheesemakers, it helps to pick cheeses that are forgiving when it comes to temperature variation and time discrepancies. Your first cheese might not look just like the picture, but it will almost always ...
