

## ARTISANAL GOLD MINING IN THE TAMBACOUNDA REGION OF SENEGAL

Jan 16, 2021

### [Artisanal Gold Mining In The Tambacounda Region Of Senegal](#)

Artisanal gold mining has been historically practiced throughout the southeastern region of Senegal. Although the people of this region are known for being traditional gold miners, a gold rush in the 1970's further impoverished the population and degraded the land at an exponential rate, bringing drought and sickness.
