[Artisans and Fair Trade - Mary Ann Littrell - Amazon.de ...](#)

"Much has been written about the role of artisan production in promoting socio-economic development, especially for poor women, but there is surprisingly little empirical work that documents the outcomes of artisan and craft work, especially under fair trade conditions. "Artisans and Fair Trade" helps close the gap by focusing on MarketPlace, and there is no better place than India for such an in-depth case study. India has a rich history of artisan textiles, it has embraced global trade ...
