Heaney's CRADLE OF GOLD is an interesting, well-written, balanced, and entertaining account of one of the real-life Indiana Jones' archaeologists - Hiram Bingham - America's discoverer of the great abandoned Inca city of Machu Picchu. The looks at the issue of the North American rediscovery of the ruins, while also telling the Peruvian side of the story. Sadly, as with the Indiana Jones character, the story is one of American archaeologist grave robberies, botched excavations and educational ...

"Cradle of Gold brilliantly tells the story of how Hiram Bingham revealed Machu Picchu to the world. Chris Heaney combines dogged research with a gift for storytelling and a historian's rich and nuanced understanding of his subject's times. Bingham emerges as a complex, even tragic figure who, for all his faults, generated real excitement about Peru's past as no one had before. Heaney beautifully and skillfully captures the cultural clash between Bingham and his Peruvian hosts, without for ...

[Cradle of Gold — CHRISTOPHER HEANEY](#)

It's the story of how Hiram Bingham (often called the real-life Indiana Jones) discovered Machu Picchu (a lost city of the Incas) in Peru. It seemed like it was the author's graduate thesis, and it was superbly researched and written. The author consulted so many sources (even Hiram's journals and letters he wrote home to his wife at the time!) that the story flows along with no gaps. I liked ...
