[Ethnographies Of Conservation Environmentalism And The Distribution Of Privilege David G Anderson Eeva Berglund](#)

Anthropologists know that conservation often disempowers already under-privileged groups, and that it also fails to protect environments. Through a series of ethnographic studies, this book argues that the real problem is not the disappearance of "pristine nature" or even the land-use practices of uneducated people. Rather, what we know about culturally determined patterns of consumption, production and unequal distribution, suggests that critical attention would be better turned on ...
