James Rhodes is an extraordinary and apparently effortlessly articulate writer. His clarity and unflinching candour in talking about the abuse he suffered left this reader stunned and troubled. His passionate advocacy for the meaning and majesty of music was exhilarating. Unfortunately the book also seemed to me to lose its way a little - the tone became hectoring just when in the face of all ...

Pianist James Rhodes has written extensively about the trials of his upbringing, which included sexual abuse, and his subsequent journeys inside and outside the mental health system. He discusses these episodes in concert, and the album Fire on All Sides (the title comes from a stage direction in Don Giovanni) is intended as an accompaniment to a book of the same title. It's a bit ironic ...
