Morgan Dillon, general manager of Strangelove's in Philadelphia, says she prefers a system where servers tip "20% [of tips] for a more bar-focused establishment and 10% tip out for more of a restaurant." She explains, "I think when the hands of servers tip out bartenders [as opposed to a percentage-of-sales system], it creates a sense of unity and teamwork." More on bartender tip ...

When you receive tips as part of your compensation, your legal rights under wage and hour laws become a bit more complicated. The rules about what counts as a tip, how much your employer must pay you, and whether you have to contribute to a tip pool (among other things) all depend on the laws of your state. Although federal law also covers these issues, employers must follow whichever law
