SECRET HISTORY MARTIN ROBERTS

Jan 23, 2021

[Secret History Martin Roberts](#)

Roberts writes: "At the time of Larsen's arrest, and in his presence, FBI officials searched his apartment. He overheard one of them instructing another as to where to look for incriminating evidence, and realized that they had visited his apartment before, without a warrant. Larsen was able to persuade the caretaker of the building to attest that this was so, and his attorney went to court to file a motion to strike out the charges against his client on the basis that the ...

Roberts suggests that the FBI and other authorities had invested so much in these unreliable witnesses that they went to great lengths to prop up their veneers of respectability—despite the witnesses' odd behavior and questionable claims. Toward the end of the book, the author abruptly shifts to the Irish Republican Army bombings in Britain during the 1970s and the suspects referred to as the Guildford Four, the Maguire Seven and the Birmingham Six. Here, he continues to attack official ...

Martin Roberts is a British subject living in Belgium. He began to study contested verdicts in criminal cases when he started to study for a law degree, and this book is the result. He trained as an archivist and worked in that field for 26 years. This has given him a lot of patience and a bit of scepticism about what records tell us. He has sought to make his book user-friendly by quoting online sources and allowing the reader to find his way through the facts and arguments to reach his own ...

Secret History is a long-running British television documentary series. Shown on Channel 4, the Secret History brandname is still used as a banner title in the UK, but many of the individual documentaries can still be found on US cable channels without the branding. It can be seen as Channel 4's answer to the BBC's Timewatch. The series returned to Channel 4 on 10 November 2013 after a nine ...

A secret history (or shadow history) is a revisionist interpretation of either fictional or real history which is claimed to have been deliberately suppressed, forgotten, or ignored by established scholars. "Secret history" is also used to describe an alternative interpretation of documented facts which portrays a drastically different motivation or history from established historical events.

Secret History › Customer reviews ... I've written my own book on the Case, and I approached the story in much the same spirit as Martin Roberts, meaning I really did not care about the political ideologies surrounding it but rather which man was telling the truth. There exists a vast literature on the case, yet still disagreement about who told the essential truth, as both men obviously ...

[Martin Roberts \(1758-1834\) - Find A Grave Memorial](#)

The name Robert is an ancient Germanic given name, from Proto-Germanic *Hrþi- "fame" and *berhta- "bright" (Hrþiberhtaz). Compare Old Dutch Robrecht and Old High German Hrodobert (a compound of hruod (Old Norse: Hróðr) "fame, glory, honour, renown" and berht "bright, shining"). It is also in use as a surname. It is the second most frequently used given name of ancient Germanic origin.
