Slavery played the central role during the American Civil War. The primary catalyst for secession was slavery, especially Southern political leaders' resistance to two attempts by Northern antislavery political forces to block the expansion of slavery into the western territories. Slave life went through great changes, as the South saw Union Armies take control of broad areas of land.

Ten years after South Sudan gained its independence and two years after its own deadly civil war ended, large-scale fighting has subsided but clashes continue between communities and between the government and groups that did not sign the peace deal — and the use of rape as a weapon remains rampant. Justice is exceedingly rare, but the September conviction has raised hopes that such crimes ...

A dozen years ago I wrote two essays showing that the War on Christmas in recent times has in fact been conducted by Jews out of their historic hatred of Christ, Christians, and European Whites. Recently, I was a guest on Guide to Kultur, hosted by Frodi Midjord, and we talked about my 2008 essays "Merry Christmas Movies ... NOT!" Today I will update those essays.
