Already established as a respected voice within the African American community in Memphis, Wells published Southern Horrors in 1892 after a close friend died along with two other black men at the hands of a lynch mob. The book's title mocked Southern honor as the commonly cited justification for lynching.

Built around three crucial documents - Well's pamphlet Southern Horrors (1892), her essay A Red Record (1895), and her case study Mob Rule in New Orleans (1900) - the volume shows how Wells defined lynching for an international audience as an issue deserving public concern and action. The editor's introduction places lynching in its historical context and provides important background ...
