The Sheikh's Last Gamble by Trish Morey. This is my first book that I have read from the Mills and Boon collection and my sixth book of 2020?????. I have a divided opinion on this book because I liked it as well as didn't like it. I must say that I was not impressed by this book and didn't enjoy reading it.

I must say that I was not impressed. I have read many harlequin presents books and many by Trish Morey but this one, all I can say is lack-luster. Normally I get the sample and read it and if I want to continue reading, then I purchase it. But, since I like Trish Morey's books and the previous reviews were good, I just bought it. Not a good idea.
