The text reveals how images of the nude were used at all levels of Victorian culture, from high-art paintings to photographs and popular entertainments. It questions whether these were a valid form of representation or, in fact, pornography. The nude was considered to be the most prestigious and pure form of art, whilst at the same time was vilified by the state because of its incitement to unregulated sexual activity. The book includes discussion on the work of Lord Leighton, Burne-Jones ...

[The Victorian Nude Sexuality, Morality, and Art by Alison ...](#)

Victorian Sexuality: It is against this cultural and political horizon that an understanding of modern sexuality needs to be contextualised. The Victorian era of the nineteenth century, like no other period preceding it, became dominated by the belief that an individual's sex and sexuality form the most basic core of their identity, potentiality, social/political standing and freedom.

In fact, the Victorian nude has been the focus of scholarly attention in surveys of Victorian art and in the many monographs devoted to artists who occasionally painted the subject. Most importantly, Alison Smith, the principal curator of this exhibition, wrote The Victorian Nude: Sexuality, Morality, and Art , an engaging methodical examination of the theme published by Manchester University ...

[Exposed : the Victorian nude in SearchWorks catalog](#)

The nude was controversial as it raised questions of public morality and we all know how Victorian society was obsessed with morality, sexuality and society. As the industrial classes rose into respectability it was as the expense of the working class. The cities expanded on an outrageous scale, London was known as the whorehouse of the world in popular imagination as young women exploited ...

[Objects of Desire: Representations of Sexuality in ...](#)

Morality crusaders attacked obscene literature, nude paintings, music halls, abortion, birth control information, and public dancing. The consolidation of Victorian morality, and its apparatus of social, medical, and legal enforcement, was the outcome of a long period of struggle whose results have been bitterly contested ever since. (Rubin 4)

[An Overview Of Victorian Morality | Betterhelp](#)

Victorian morality is a distillation of the moral views of the middle class in 19th-century Britain, the Victorian era.. Victorian values emerged in all classes and reached all facets of Victorian living. The values of the period—which can be classed as religion, morality, Evangelicalism, industrial work ethic, and personal improvement—took root in Victorian morality.

In the Victorian era, sex was not discussed openly and honestly; public discussion of sexual encounters and matters were met with ignorance, embarrassment and fear. One public opinion of women's sexual desires was that they were not very troubled by sexual urges. Even if women's desires were lurking, sexual experiences came with consequences for women and families. Limiting family sizes ...

The exhibition was conceived as a search for a fresh perspective on Victorian art and Victorian values through the reappraisal of representations of the nude figure in relation to historic and contemporary attitudes to morality, sexuality and desire. The range of material was exhaustive: from Royal Academicians such as Frederic Leighton, Edward Burne-Jones and Lawrence Alma-Tadema to the ...

[Greek Sculpture, Beauty, and Morality - Oxford Scholarship](#)

For anyone serious about Christian morality, sex was not an option. Celibacy was the ideal way to conduct one's life and sex was condoned only as part of a marriage. Pre-marital or extra-marital sex was a serious risk, if you had to "scratch an itch." Priests were required to report adulterers and fornicators (those having sex outside of marriage) and punishments could range from years ...

Bathing machines and nude swimming. Those going for a swim in the sea at the beach would use a bathing machine. However, historians Peter Gay (Schnitzler's Etiquette) and Michael Mason (The Making of Victorian Sexuality) both point out that we often confuse Victorian etiquette for a lack of knowledge. For example, despite the use of the bathing machine, it was still possible to see people bathing ...
