The Vietnam Reader is a compilation of the historical and first person accounts of the service members that served in the American army. Also included is significant works of fiction, poetry, music, and reviews of the movies that were made. Anyone interested in the literature that came from the war combined with other histories, helps to give a scholar a more well rounded view of the conflict and the people that sacrificed their lives while in service to the country at this time. Included are th

[Documents Relating to the Vietnam War](#)

The Vietnam War is an outstanding collection of primary documents related to America's conflict in Vietnam which includes a balance of original American and Vietnamese perspectives, providing a uniquely varied range of insights into both American and Vietnamese experiences. Includes substantial non-American content, including many original English translations of Vietnamese-authored texts ...

[The Viet-nam \(Vietnam\) Reader Articles and Documents on...](#)

American intervention in Vietnam, the role of Congress, the Executive and the media, the response of the American public, particularly students, to the escalation of the war, and the war's legacy upon American politics, culture and foreign policy. It also addresses the experiences of those individuals affected directly by the war: Vietnam

[The Viet-Nam Reader: Articles And Documents On American ...](#)

Vietnam War Reader is a collection of 102 documents that focus on the Americans and Vietnamese who fought the war. Its purpose is to illustrate to students and teachers the various perspectives on the conflict in order to gain an understanding of this controversial struggle. By keeping his "own views on a leash," Hunt intends for this collection of primary source material to allow the war's participants to speak directly to readers. As editor, Hunt provides brief but insightful ...

[The Viet-Nam Reader: Articles and Documents on American ...](#)

The Vietnam Reader is organized according to two chronological schemes. The first is the typical arc of the Vietnam narrative and traces the tour of duty from induction all the way through returning stateside. The second scheme is the timeframe during which these books and films were released. In certain chapters (such as the popular songs) I found it did more justice to the material to collect works that span a great deal of time but are similar in either theme or genre, thereby ...

[Vietnam War documents - Alpha History](#)

The Viet-nam Reader By Marcus G.Raskin and Bernard B. Fall Articles and documents on American foreign policy in the Viet-Nam crisis. Bernard Fall and Marcus Raskin have been among the most clear headed American critics of this country 's Viet Nam policies. The book of selected readings they have put together is, in to my knowledge, the best place now available for non-experts to begin their acquaintance with a lasting years or so of the Viet Nam situation. . In is also probably the right ...

[The Vietnam War | DocsTeach](#)

America in Vietnam is a book by Guenter Lewy about America's role in the Vietnam War. The book is highly influential, although it has remained controversial even decades after its publication. Lewy contends that the United States' actions in Vietnam were neither illegal nor immoral, and that tales of American atrocities were greatly exaggerated in what he understands as a "veritable industry ...
