More than 50 years after the United States committed combat troops to the war in Vietnam, and more than 40 years since the war ended, the complexity of the conflict is still being unraveled. Historical records preserved at the National Archives provide insight into this critical period. Use this page to find primary sources and document-based teaching activities related to the Vietnam War ...

[Documents Relating to the Vietnam War](#)

For a history book - and I am not a "history buff" - The Vietnam War: A Concise International History was interesting and even somewhat enjoyable. Prior to this book, I knew basically nothing about the Vietnam War. This book was appropriate for me in that Mark Atwood Lawrence didn't seem to assume I (the reader) knew anything, so I was able to make my way through this history, steadily gaining ...

The war in Vietnam has been described as the first "living room war"—meaning combat was seen on TV screens and newspapers on a daily basis. Newspaper and television crews documented this war much more intensely than they did earlier conflicts. This willingness to allow documentation of the war extended to the military's own photographers—who captured thousands of images that covered every ...
