ity, and this test can only be a guide. If there is a large difference between the 'reading age' and the child's actual age then there might be a need for further investigation. You should also remember that the test can only give an indication, and it might be wrong. When the test was new, in the 1970s, the authors claimed that, in 19 cases out of 20, if the test was properly conducted ...

Waddington is a town in St. Lawrence County, New York, United States. The population was 2,266 at the 2010 census. The town was named after its principal village. The Town of Waddington has a village, also called Waddington. Both town and village are on the northern edge of the county, north of Canton. History. The first settlement occurred in 1797 near Hamilton village, later Waddington, but ...

[Waddington – Wikipedia](#)

Noting that law does not act as an exhaustive or even satisfactory guide for police action, he argues that any supplementary guidance must be sought from values superior to law. These he finds in 'basic community values', because if transitory or particular they would not offer guidance in novel settings and the values in question must be universal in order to command general assent ...
